

## 2026 MIX Band Summer Event Staff Job Descriptions

**WHAT IS MIX?** MIX is a four-day summer conference event for sixth, seventh and eighth grade students. We want to give these students the chance to have fun and enjoy spending time with their peers, while also challenging them with age-appropriate ideals that will help them embrace Christ's call on their lives to be Kingdom Workers. MIX is their chance to be exactly who they are – to play, listen and learn as themselves.

**THE MIX BAND** Each MIX band is comprised of 5 different roles but the bands are part of a larger team of event staff made up of a total of 11 people. On the application, you can identify what band role you would like to be considered for and select a second role that might interest you. If you are a musician that can play multiple instruments and also sing, there will be a place in the application for you to outline those for us. All musicians must provide their own instruments.

### Job Description

MIX is a fast paced program that has a lot of moving parts. Band Members not only are musicians that lead worship, but they play an active role on the Event Staff team as a whole, contributing to the overall success of each event on and off stage. This role isn't just a music "gig". Band members will spend about 25% of time on stage with worship sets and assisting with games. The remaining 75% will be spent working alongside other teammates running the store, helping set up and run recreation activities, prep alongside the backstage manager and more.

The roles for each MIX Band include the following:

- Drummer
- Bass Player
- Electric Guitarist
- Vocalist 1
- Vocalist 2

### Important Things to Note:

Musicians must provide their own instrument and accessories such as pedals, drumsticks, throne, rug, in-ears, travel cases, etc.

All audio equipment will be provided.

All the roles listed above are traveling positions. Instruments will travel with the band in the vehicles provided for the team at large.

**WE CALL YOUTH TO CHRIST AND INTO LIVES OF KINGDOM WORK THROUGH HIS CHURCH.**

## Training Week:

Bands will be given concentrated rehearsal and coaching time during training week but individual members MUST arrive having practiced the songs and be ready to play with the band.

## Expectations

The worship environment at MIX is intense and fast-paced. Our bands are on stage multiple times each week and often times are doing back to back events. We are looking for musicians who regularly spend time with their instruments, can easily pick up new songs and can adapt to challenges mid-set. For vocalists, we are seeking individuals who are or have been actively part of a worship team, choir or performance group and are familiar with vocal care. Each band member is expected to arrive to training week having learned the set list and be prepared to start practicing immediately.
